Repeat this process until all three squares are joined in a loop.
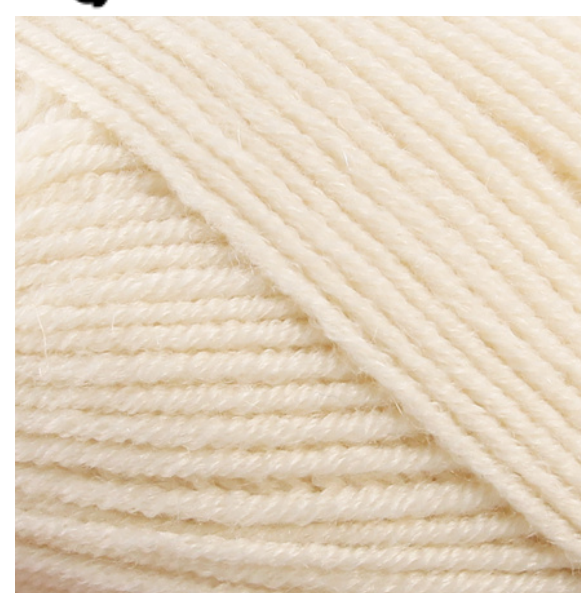

Base

The base of the hanger is formed by three chains tied together to make a tassel. Using Cream, Lilac and Mustard held together and an 8mm hook, join yarns into any aligned corner sp, ch5, fasten off leaving a 15cm yarn tail.

Repeat this process twice more so all three corners have a chain attached. Tie the ends of all three chains together in the centre, then trim the tassel to neaten.

Straps

The hanging straps are worked in the same way as the base. Using Cream, Lilac and Mustard held together and an 8mm hook, join yarns into any aligned corner sp, ch35, fasten off.
