## Tension

Approximately 22 sts to 10cm on 4.00mm or 4.5mm hook as stated in pattern

Tension will vary between the different section / stitches used so please note the hook size changes in the pattern. This will ensure the tension is kept similar.

Overall work should measure approx. 134cm Length x 110cm Width (before blocking)

## Pattern Notes

This blanket is made up of two pieces joined together. The first piece has 5 sections worked and the second piece has 4 sections and joins to section 5 of the first piece. This creates a mirrored image.

We recommend working week 1 - 4 twice to create the two halves. Then for week 5, pick one side to work on and then join the 2 sections together. On week 6 you will complete the blanket with a border.

Please note that all even number rows are RS rows and all odd number rows are WS rows.

Whilst tension is not important for this blanket, it will have an effect on the amount of yarn used.

For the tapestry crochet sections, carry non working yarn along the row, working over the yarn as you go.

Turn your work at the end of each row unless told otherwise.

Ch1 does not count as a stitch throughout. Ch2 counts as one stitch on the moss stitch section.

We recommend sewing in your ends at the end of each section.
