Make 1 in White/Soft Green/Orange/Grey

Tension

Using 6mm hook and Soft Green, ch 48.

Row 1 (RS)

1dc in second ch from hook (skipped 1ch does not count as a st), 1dc across, turn. [47 dc]

Continue to follow the tapestry crochet chart for three ducks to Row 27, joining new colours where necessary.

To prevent work from becoming overly bulky, Orange yarn for the legs and beak can be joined separately for each motif and left on the WS of the work, to be picked up again in the following row. To achieve this, prepare three x 3m balls of Orange to be joined in Row 5 and again in Row 19.

Grey yarn for eye is joined individually and fastened off after each eye stitch is made in Row 21. Do not carry this between motifs.
