pc – popcorn – 5tr into st, remove hook and insert into top of ch3 and back into loop you just took your hook out of, pull loop through tr
picot – picot – ch3, slst into first ch

Pattern notes

When joining in new yarn, join on last pull through of previous colour.

Tension is not important for this project as long as you keep it the same throughout.

The finished blanket is approx 56 inches at it's longest point, the size will vary depending on individual tension.
