Rnd 12- In this round we're going to surface crochet onto Rnd 11 using yarn C.
Start with the yarn behind the work and insert your hook into any space between trs from the front to back of your square.
Pull a loop from the back through the gap.
Move to the next tr along, push your hook into the next space between trs and pull the yarn from behind the square to the surface. This will look like little chain stitches. Do this all the way around the square. So every tr in rnd 11 has a pink surface stitch around in.
When you reach your first stitch pull the yarn about an inch above your work and cut. Using your crochet hook, pull this to the back of the square and tie to the starting thread to secure in place.

Rnd 13 – Join yarn B in top of any tr in Rnd 11, ch1, (counts as first dc), *1dc in every st to corner, (1dc, 1ch, 1dc) in ch-3-sp, rep from * 3 times more, 1dc in every st to beg of rnd, ss into ch1. Fasten off. (26 sts along each side)

(28 sts along each side)
Weave in ends.
