HALF N HALF SQUARE

Week 2 takes what we learnt last week and puts a new spin on it. The Half N Half square mixes the traditional Granny look with bold block treble crochet stripes.

This square is made in 2 halves, starting with the solid colour granny triangle and then attaching the second side as you go. In the first half granny treble clusters are worked into the spaces between clusters. For the second half you'll work between stitches.

You'll make 4 motifs in each colourway, 8 squares in total.
