

Brush Lettering

PRACTICE GUIDE

Begin by holding the brush pen lightly. Draw thin lines in an upward direction from bottom to top -

(TIP) Sit comfortably with a relaxed arm across the desk. Now add an alternate thicker line in a downward direction from top to bottom -

Next try one continuous line keeping the thin and thick lines as before -

(TIP) Move the pen slowly always adding pressure on the downward strokes.

Use guidelines for the letter heights and neatness -
